“Your Home Away From Home”
To Our Fair Family,

As we approach our 111th year of the Northwestern Michigan Fair I want to start by saying “Thank you” to all the 4-H kids that have in the past years and soon to come this year for the countless hours helping on the grounds. Thank you to all the other volunteers that donate their time expecting nothing in return and thank you to all the businesses and individuals that sponsor our fair. The fair would not be possible without all of your help.

As always, to our 4-H families and fair friends that stay on the grounds and those of the public that enter our gates on a daily basis, the fair board wants every person to leave after having a positive and safe experience, and as the number of people involved with our fair continues to grow, the fair board is working to complete a few capital improvements to improve safety and the positive experience. Examples include some permanent parking lot lights, improvements to power supply for those who camp behind the Junior Beef barn, and the continued efforts to put up a pavilion in the vendor area.

We look forward to seeing you at the fair and looking forward to having another great year.

Respectfully,

Joe Hubbell
2019 Northwestern Michigan Fair President

Dear Friends:

Welcome to the 2019 county fair season!

Michigan’s 86 local and county fairs have been providing family-friendly entertainment, celebrating the uniqueness of each of our communities, and showcasing the diverse bounty of Michigan agriculture for decades.

Our local and county fairs continue to play a role in moving Michigan forward by helping to reconnect consumers and communities with agri-food traditions like supporting our farmers by buying locally-grown food. It also provides a stage to highlight the next generation of food and agriculture entrepreneurs and farmers.

By supporting your local county fair - whether as an attendee or as an exhibitor – you’re also contributing to the growth and economic vitality of your community. We’re very proud of our area community businesses, fairgoers and families who support our young exhibitors’ college educations through livestock auctions held at the county fairs.

I encourage all Michiganders to attend a local county fair as we look to grow the next crop of leaders who will help shape our future.

Sincerely,

Gary McDowell
Director
Dear Friends,

Welcome to the 2019 fair season! Local and county fairs are a long-standing, family entertainment staple that pay homage to our rich agricultural heritage while highlighting the incredible diversity of Michigan’s food and agriculture sector.

Millions of Michiganders and tourists attend our local and county fairs every year. These events are wonderful opportunities to experience Pure Michigan at its finest. In fact, food and agriculture has always been an integral part of our state, and its future has never been brighter. There’s a lot to be excited about in Michigan agriculture today. It’s a cutting-edge industry filled with career potential, growth, and economic success. The fair season is a celebration of all that food and agriculture contributes to our great state.

I am proud of Michigan’s 4-H program and the tremendous accomplishments of our FFA peers. Thanks to Michigan’s local and county fairs, Michigan youth have opportunities to showcase their hard work while educating fairgoers about the state’s food and agriculture industry. You won’t want to miss the exhibits that put their talents on display.

Our county fairs are full of local charm and agricultural traditions. This year, be sure to visit one of Michigan’s local or county fairs as part of your summer family vacation plans.

Sincerely,

Gretchen Whitmer
Governor

IN MEMORIAM

Florence Eliza Tanner

LET IT BE KNOWN, that it is a great privilege to acknowledge the contributions of Florence Eliza Tanner and her more than 40 years of service to the Northwestern Michigan Fair and we join with the Fair, friends, and family in celebrating her service.

Florence was born Florence Eliza Smith on September 10th, 1930. Right next door to her birth home on Railroad Avenue, lived the Tanner family. Too young to know at the time, Florence would marry the love of her life, Floyd Tanner, on July 6, 1947 and spend 50 loving years together raising eight children.

In 1955, Florence, Floyd, and family moved to a farm on Long Lake. Here the Tanners recall fond memories of the gardens and farm animals. While living the farm life, Florence was inspired by her grandmother and began entering items at the Northwestern Michigan Fair. When the Fair was moved from the downtown location to Blair Town Hall Road, the Tanners volunteered to run the Produce Barn. It was at this time that Florence and the Tanner family joined the “fair family.” Florence lent her talents to the Fair and has helped this wonderful community event grow.

Throughout the years the Tanners have participated in “fair week” both as exhibitors and volunteers. You don’t need to look far to witness the Tanner family’s commitment to the Northwestern Michigan Fair. After a tree destroyed the original Produce Barn, a new barn was built bearing the Tanner family name. It is evident that a fair doesn’t get to celebrate 111 years of existence without selfless volunteers like Florence and her family and we thank them for their many contributions.

As rooted community members, Florence and her family were involved in activities outside of the Fair as well. As members of the Long Lake Church, Florence and Floyd worked with their pastor to start Cub Scout Pack 27 and Boy Scout Troop 27 and guided numerous Boy Scouts through the program to achieve the Eagle Scout rank, including their son and grandson. In addition to helping with the Boy Scouts, Florence also volunteered with the Girl Scouts, served on the Long Lake Church Hospitality Committee for 18 years, and donated ten years to Munson Medical Center as a Critical Care Volunteer. Indeed, Florence has lived a life of service and we thank her for her selfless dedication to our community.

IN SPECIAL TRIBUTE, Therefore, this document is dedicated to celebrate Florence Eliza Tanner and her dedication to the Northwestern Michigan Fair and greater community. May the Kindness and generosity she has sought to share with others be returned to her many times over.
George Whitefield

In January of 2019, we lost a very dedicated man in the world of 4-H. George Whitefield was well respected and will be missed by many. The following is just bits and pieces of his passionate journey.

It all began with George experiencing what the Michigan State Fair did with the Livestock Program. As both, George and his wife Leah were very involved in 4-H in Wayne County, Michigan with the 4-H horse program in the late 1950’s early 1960’s.

In 1967, George and his wife Leah moved from Detroit, Michigan to Leelanau County and their interest in 4-H followed them. Leah started 4-H clubs in the county. During that time, George was always involved in Leah’s “honey do” list. Their goal was to inspire youth to grow and lean through the 4-H program. So, after living here for 4 years something sparked a flame from that memory on the Michigan State Fair. George wondered, what would emerge from doing something similar, through 4-H. He started with approaching the local fair board. Through connecting with all the right people, and a lot of leg work, he started the 4-H Livestock Program. George worked the local Production Credit Union, to arrange purchases of steers, which allowed member to buy an animal on credit. He also worked with the local feed stores. The members would pay off their loan to the Credit Union and the feed store after the sale of the animal at the Fair.

George started the Leelanau County 4-H Livestock Club in 1970. Walter (Bud) Core was also a leader. It started with 15 members making it to 1st auction being held at the old fair grounds in Traverse City in 1971. In 1973 a couple more counties were included which added more 4-H clubs. With that change, his club became the Pleasant Valley 4-H Club. Followed by the forming of the 4-H Livestock Council to govern and provide rules and guidelines for all the 4-H clubs to follow. in 1974 was the last year the fair was held at the old fairground (commonly known as The Civic Center). 1975, became the first year at its present location. His son, Wayne Whitefield, was honored to be asked to raise the American Flag at the new fair grounds. Enrollment in the program was increasing every year. And in 1976 more species were added. While at the old fair grounds, that wasn’t possible because there was no room. 4-H Members are now 500 to 600 members strong.

The livestock program is now on to its 49th year. In 2017 George was recognized for his contribution to the Livestock Market Program with a "Vision Recognition Plaque". As you kids in 1972 we didn’t understand the passion he had about 4-H and what the program offered youth... we just thought it was fun. But as grown adults now, we can realize he believed in the power of young people and saw that every child has valuable strengths. 4-H was a tool to empower you people with the skills to lead for a lifetime. Through leaders, mentors, and hands on learning, it helped to instill good values in the youth involved.

As a family, we are so proud of his accomplishment and the experiences it continues to give the youth of today. We’d like to thank the parents of the present enrolled 4-Her’s who are behind them, to make this all work. Another thank you to buyers, auctioneers, clerks, and anyone else that is involved to support this program. George was 91 years old and has been to every auction except in 2018 due to health issues.

He never imagined that it would grow to where it has today.

Bobe McPherson

The new year is a time for joy and excitement with new goals set and the old year closing its doors. With the start of 2019, the Northwestern Michigan Fair family was hit with a moment of sadness as a valuable and cherished volunteer said her last good-bye to this world.

Bobe McPherson lightened our world with her love of life and her intense laughter that came easily and loudly. She saw and focused on the goodness in all of us. Bobe became part of the NWMF Board in 2006. For several years she oversaw multiple things to keep the Fair running. One of the biggest things she strove for was the return of the Bingo tent after a long absence. She handled rentals and contracts and always did what she could to fund raise and advertise for the fair. For the 100th year, Bobe came up with our famous mascot Babs. She took him all over the region promoting what makes our fair so great. Babs has found his home at the fair museum as Bobe found hers in all of our hearts.

Bobs was not the only thing Bobe would use to show her creative side. Her love of color and nature was her inspiration as an artist. Making unique jewelry with glass, leather, stones, and metal brought beauty to our lives. She loved collecting rocks and gems and creating mischief with whoever was gutsy enough to join her. The best shenanigans were done along side her best partner in crime, Iva Lewis who passed away a couple years ago. With the Screams in the Dark held in the fall at the fairgrounds, Bobe created her coven of witches to help set the stage for the thrill ride of scares and shrills.

“Bobe was a very motivated and self driven woman that made great positive impacts where ever she was regardless of the situation. She could take some of the most negative situations and make them positive. Bobe was an amazing woman that I had no regrets being a part of her team in life and at the fair!”

Thirteen years ago, I began a journey that has led to many amazing opportunities. Along the way, this journey has helped me acquire several different skills, allowed me to meet new people, and form bonds that will last a lifetime. When I first started showing my rabbit at the age of nine, there were so many aspects to the fair that I couldn’t begin to understand. All the activities that were put on and all of the animals that could be shown all seemed so surreal. Now that I am older, I still think about how amazing our fair is and I love seeing the same amazement in our cloverbuds that I once had. Once I was older, I decided I wanted to have a larger project and a goal to work towards. This project was a lamb market project and it created the perfect opportunity for me to grow even more within the fair. Experiencing this different side of the fair expanded my love even more for this one week out of summer. Last year, when I wanted to explore a whole new side of this week, I decided to run for Fair Queen.

If you are thinking about applying, definitely do! While running, you get to experience new things that you would never get to if you didn’t run. Last year, I was able to hand out ribbons at several showmanship events, talk to many people about the fair, help the Home Depot tent on special kids day, talk to many 4-H kids about their projects, attend all the grandstand events, and I was even able to participate in some of them. While running, I also got to know some amazing young ladies and learn all about their involvement in 4-H. Once I was crowned Northwestern Michigan Fair Queen, a whole new experience began. This past year has been absolutely incredible and I am looking forward to continue promoting the fair over the summer. I have had the opportunity to attend several parades and festivals, read at elementary schools, and be a guest of honor at events as the Fair Queen. Talking about my involvement with the fair and 4-H at all of these events has allowed me to share how my life has been positively impacted because of it.

As I go into my final year of 4-H, I welcome everyone back for another spectacular year. I would like to welcome new members and I hope that your 4-H experience will be spectacular. I would like to thank my sponsor The Dance Center and thank my friends and family for always supporting me. I am looking forward to another amazing fair week together and I am elated to be again immersed within such an awesome community that has helped me learn so much.

Sincerely,

Thea Gray

RELEASE, INDEMNIFICATION, AND HOLD HARMLESS AGREEMENT

In consideration of participating in ____________________________ [activity] (examples being: Horse shows, dog shows, animal clinics, Fair Week, Screams in the Dark, etc.), and for other good and valuable consideration, I hereby agree to release and discharge from liability arising from negligence Northwestern Michigan Fair [name of insured business] and its owners, directors, officers employees, agents, volunteers, participants, and all other persons or entities acting for them (hereinafter collectively referred to as “Releasees”), on behalf of myself and my children, parents, heirs, assigns, personal representative and estate, and also agree as follows:

1. I acknowledge that ____________________________ [activity] (see examples listed in previous paragraph) involves known and unanticipated risks which could result in physical or emotional injury, paralysis or permanent disability, death, and property damage. Risks include, but are not limited to, [actions that might result in injury]; medical conditions resulting from physical activity; and damaged clothing or other property. I understand such risks simply cannot be eliminated, despite the use of safety equipment, without jeopardizing the essential qualities of the activity.

2. I expressly accept and assume all of the risks inherent in this activity or that might have been caused by the negligence of the Releasees. My participation in this activity is purely voluntary and I elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I am unable to participate due to physical or medical conditions, then I will immediately discontinue participation.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Releasees from any and all claims, demands, or causes of action which are in any way connected with my participation in this activity, or my use of their equipment or facilities, arising from negligence. This release does not apply to claims arising from intentional conduct. Should Releasees or anyone acting on their behalf be required to incur attorney’s fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.

4. I represent that I have adequate insurance to cover any injury or damage I may suffer or cause while participating in this activity, or else I agree to bear the costs of such injury or damage myself. I further represent that I have no medical or physical condition which could interfere with my safety in this activity, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.

5. In the event that I file a lawsuit, I agree to do so solely in the state where Releasees’ facility is located, and I further agree that the substantive law of that state shall apply.

6. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I agree that if I am hurt or my property is damaged during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence. I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. I have read and understood this document and I agree to be bound by its terms.

Northwestern Michigan Fair
Golf Cart/UTV Registration Rules

REGISTRATIONS AND INSPECTIONS WILL BE HELD ON SATURDAY AUGUST 4TH, FROM 8PM TO 10PM. FEES WILL BE COLLECTED AT THIS TIME. REGISTRATION COST IS $60

For the safety of all fairgoers the following rules are in effect when the vehicle is unloaded at the fairgrounds. With everyone’s cooperation we can continue the convenience of using golf carts/UTVs during fair week:

1. Only campers in the north campground and campers with a valid handicap permit from the State of Michigan are permitted to have golf carts/UTVs.
2. Handicap permit holders must be present on the cart while it is in motion. Registered handicap golf carts/UTVs are allowed to go near the barns, but are not allowed inside the barns, concession area, or to enter the midway.
3. Hours of operating golf carts/UTVs are between 6am ~ 11pm. (Fair carts excluded).
4. No carts/UTVs are allowed on Zeke’s Way. Carts/UTVs shall stay in the north campground, north campground parking lot, and on the road between the campground and cart corral next to the Junior Beef barn. Carts/UTVs must be parked at the cart corral next to the Jr. Beef barn. No carts/UTVs are permitted beyond this point. (Fair carts excluded).
5. One person per seat in a cart/UTV. Each person must be seated at all times.
6. No driving carts/UTVs under the influence of drugs or alcohol. Also no open intoxicants will be allowed. NO EXCEPTIONS.
7. All carts/UTVs must have mounted or fixed working headlights to be on grounds. The rear of the cart/UTV must have at least 2 inches of affixed reflective product or working tail lights. No single seated or modified vehicles will be allowed. All those registering carts/UTVs must possess an insurance policy that provides $300,000 liability insurance coverage for operation of the vehicle on the fairgrounds. The written document of this coverage must be submitted when the vehicle is registered.
8. Driver must have a valid driver’s license to operate cart/UTV and be in the operator’s possession when operating.
9. All carts/UTVs must be present at the fair office on Saturday, August 3rd from 8pm ~ 10pm. Bring proof of insurance, handicap permit if applicable and valid driver’s license. Carts/UTVs will be inspected for working headlights, tail lights or reflective product, quiet exhaust and working brakes. If carts/UTVs pass inspection, the fair staff will place handicapped stickers when applicable on the front and back of the cart/UTV and a mandatory NWMF registration sticker on the front.
10. Limit 1 cart/UTV per campsite. (Fair carts excluded).
11. At all times carts/UTVs must maintain a safe operating speed, not to exceed 5 ½ mph. (Fair carts excluded in case of emergencies)
12. NWMF reserves the right to refuse registration of any golf cart/UTV.
13. No recreational or sightseeing usage allowed.
14. Golf carts/UTVs must be operated in a safe and orderly manner.

VIOLATORS WILL HAVE THEIR CARTS/UTVS IMPOUNDED FOR THE DURATION OF THE FAIR AND WILL BE RETURNED SUNDAY MORNING AUGUST 11TH AT 8 A.M. NO EXCEPTIONS! NO REFUNDS.

Dear Mike and Mandy,

Thank you so much for all your help with Hank. When he died, we had no idea where to turn. I must say, you made a difficult time so much easier. I can’t thank you enough for showing such love and compassion for “Our Boy”. From coming to our home and the caring way you treated Hank to letting us take our time with him before you took him away…it meant the world. I also want to thank you for taking the time to go through all of our options. We were amazed at all of the things we could do to pay tribute to him and the life we shared together. While initially we felt silly for knowing that we did want to do “more”, we didn’t even know what that meant! You guided us, you educated us, and you gave us that permission to do everything that was so right for us…and for Hank.

From us, for Hank…thank you.

Sincerely,

Barbara H.
