A LETTER FROM THE PRESIDENT

To Our Fair Family,

As we approach our 113 th year of the Northwestern Michigan Fair **I want to start by saying "Thank you" to all the 4-H kids and families for the countless hours helping on the grounds. Also, to all the other volunteers, individuals and businesses that support our fair with time and sponsorships, "Thank You". The fair would not be possible without all of your help.**

As always, the fair board wants every person to have a positive and safe experience, and as the number of people involved with our fair continues to grow, the fair board is working to complete a few capital improvements to improve safety and the positive experience. Examples include some permanent parking lot lights, improvements to the campground, and maintenance of our current facilities.

We look forward to seeing you at the fair and looking forward to having another great year.

Respectfully,

Joe Hubbell
2022 Northwestern Michigan Fair President

In Memory of Mary Dennis

1934-2020

Mary always loved animals. In her late teens, she ran her own stables offering riding lessons, trail rides and boarding. She said she learned to ride by watching cowboy movies. She competed in speed events with her favorite horse, Judy Doll, and proudly kept her blue ribbons.

Mary's involvement in 4-H began in 1966 when her three children and their friends wanted a horse club and no leader had come forward. Over the years, her leadership included horses, sheep, rabbits, poultry, veterinary science, leathercraft, public speaking, and first aid, to name a few of the many projects to which she dedicated herself.

Mary lived on 40 acres in Leelanau County that she dubbed "Mary's Gone Broke Hobby Farm." In addition to enjoying all her farm animals and canine companions, she loved raising lambs for the **4-H kids' projects**.

Mary served on the NWM Fair Board from the early 1990s until her death. She loved fair week, and one of her greatest joys was presenting ribbons to the kids. She worked on innumerable projects over the years for the Fair and the Livestock Council. She especially loved and was fiercely protective of the Sheep and Horse Programs.

Mary's love of volunteering came from the example set by her grandparents on both sides of her family, she said in a 1996 speech at the Glen Lake Community Schools' National Honor Society Induction Ceremony, that "it never hurt anyone to help someone else out. What keeps me going strong in [volunteerism] is to be able to see what the youths are gaining from it all."

Mary is survived by three children, four grandsons and one great-grandson.

In Memory of Julie Nowland

11/14/1963 to 10/27/2021

Julie committed a great portion of her life to helping children. Starting first as a 4H mom with her husband Mike, supporting their children in their various projects, in school and extracurricular.

As time went on, this extended into chaperoning 4H Exploration Days at MSU in East Lansing. Supporting foreign students from Japan that were visiting our country for the first time through 4H LABO. Then finally supporting 4H Livestock and then the Fair Board as superintendent of the goat barn and finishing her career as a director of the board.

Now we as a family, both her personal and extended, are supporting her memory by creating a scholarship for a participant of the Open Goat Draft and Pack program.

Julie will be missed greatly.

The Forton - Nowland Family

Dana Cederquist

8/10/1953 to 11/27/2021

Dana Cederquist loved to teach children and took pride to help them achieve their goals. Dana worked at TBA ISD teaching the Auto Body program for 11 years. He was a Leader and parent of Long Lake 4-H Livestock and served on the Northwestern Michigan Fair Board for many years, a couple of them being the President. Always keeping in mind what was best for the 4-Hers and kids involved in and out of the Fair. He loved watching the kids show, especially his daughter Krista and son Levi and many nephews and nieces.

Dana always seemed to have a good listening ear and the kids would migrate to him to talk. Dana will be missed and cherished by friends and family. An awesome man with a loud voice, sense of humor, and smile.

There has been a Scholarship for future animal projects for kids set up in memory of Dana through the Livestock Council.

GREETINGS FROM THE NWMF QUEEN

To My Dearest Fair Family,

I am so excited to see all of you at our 2022 Northwestern Michigan Fair! It is such an honor to be chosen to represent such a wonderful fair. I am truly so grateful for the opportunity to be your 2021-2022 Fair Queen. Along with my duties as Fair Queen I am a full time college student at Northwestern Michigan College. I have recently changed my major to a business degree with a minor in finance. This year I will be attending a number of events while representing the NWMI Fair and community. As this year's Fair queen, I hope to instill passion and love in the hearts and minds of every youth that I come in contact with throughout this year. The youth are the future of this fair; therefore, I am a firm believer of spreading love and instilling passion into the young 4-Hers and the young visitors of the NWMI Fair. As always, I am so excited to see all of the kids and their animals!! I recognize the time, effort, and patience it takes to prepare each animal for the fair, which is why it is so important that we celebrate their hard work! The fairboard members and volunteers do such an amazing job of putting on an awesome fair year after year. Every person who attends the fair plays a significant role in making it what it is today. Whether you are a 4-Her, a parent, a contestant in the Evelyn Heim building, a farmer in the Agriculture building, a visitor, a volunteer, a vendor, or a fairboard member YOU are a valued member of the NWMI Fair community. Without you, fair would not be the awesome experience it is today! If you are a young lady who is passionate about this community and are considering running for Fair Queen, do it! It is such a unique opportunity to influence the lives of not only your peers, but also young boys and girls who attend the fair! I would love to connect with any young ladies who have questions or concerns about running for this title. My time as Fair Queen will forever be a treasured memory. Being able to represent such an awesome fair has been such a blessing to me. Being able to give back to a fair that has been such a big part of my life for so long has been a once in a lifetime opportunity. I would first, and most importantly, like to thank the good Lord above. None of us would be here today without his wonderful and divine leadership. Secondly, I would like to thank my sponsor Great Lakes Power Generation, my mom Jessica Brookshire, the Walters, the Hills, and all of my other friends and family for being my biggest cheerleaders! You guys have been the most supporting, encouraging, and loving group of people. Thank you to everyone who participates in the Northwest Michigan Fair. This week would not be possible without you guys! I look forward to seeing all of your smiling faces at the fair this year!

Sincerely,

Lillia Brookshire

RELEASE, INDEMNIFICATION, AND HOLD HARMLESS AGREEMENT

In consideration of participating in _____ [activity] (examples being: Horse shows, dog shows, animal clinics, Fair Week, Screams in the Dark, etc.), and for other good and valuable consideration, I hereby agree to release and discharge from liability arising from negligence **Northwestern Michigan Fair** [name of insured business] and its owners, directors, officers employees, agents, volunteers, participants, and all other persons or entities acting for them (here- inafter collectively referred to as "Releasees"), on behalf of myself and my children, parents, heirs, assigns, personal representative and estate, and also agree as follows:

1. I acknowledge that _____ [activity] (see examples listed in previous paragraph) involves known and unanticipated risks which could result in physical or emotional injury, paralysis or permanent disability, death, and property damage. Risks include, but are not limited to, [actions that might result in injury]; medical conditions resulting from physical activity; and damaged clothing or other property. I understand such risks simply cannot be eliminated, despite the use of safety equipment, without jeopardizing the essential qualities of the activity.
2. I voluntarily assume full responsibility for any risk, known or unknown, of loss, property damage or personal injury, including permanent disability or death and/or exposure to illness or disease (communicable or otherwise), that I may sustain, or any loss or damage to my property, as a result of my engagement in the activities and/or by entering the applicable premises, whether due to the active or passive negligence of the Releasees, negligence, fault or misconduct of any kind on my part, or otherwise. I acknowledge that an inherent risk of exposure to COVID-19 (or other communicable or contagious disease or illness) exists in any public place where people are present. By visiting any premises contracted with or utilized by the Releasees, I voluntarily assume all risks related to exposure to COVID-19 and/or any other contagious or communicable illness or disease. I hereby consent to permit the Northwestern Michigan Fair to take such steps as it or its subcontractors or providers deem appropriate to minimize risk, including but not limited to having my temperature checked. I certify that I have not in the past fourteen (14) days (a) been asked to self-quarantine; (b) returned from international travel (outside of the United States); (c) knowingly had contact with any person diagnosed with COVID-19 or being evaluated for COVID-19; or (d) had a fever of 100.4 degrees or higher or any other symptoms of COVID-19. Participant agrees to socially distance (at least 6-feet) to the greatest extent possible while participating in the Activities.
3. I expressly accept and assume all of the risks inherent in this activity or that might have been caused by the negligence of the Releasees. My participation in this activity is purely voluntary and I elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I am unable to participate due to physical or medical conditions, then I will immediately discontinue participation.
4. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Releasees from any and all claims, demands, or causes of action which are in any way connected with my participation in this activity, or my use of their equipment or facilities, arising from negligence. This release does not apply to claims arising from intentional conduct. Should Releasees or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
5. I represent that I have adequate insurance to cover any injury or damage I may suffer or cause while participating in this activity, or else I agree to bear the costs of such injury or damage myself. I further represent that I have no medical or physical condition which could interfere with my safety in this activity, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.
6. In the event that I file a lawsuit, I agree to do so solely in the state where Releasees' facility is located, and I further agree that the substantive law of that state shall apply.
7. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I agree that if I am hurt or my property is damaged during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence. I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. I have read and understood this document and I agree to be bound by its terms.
