

Northwestern Michigan Fair

Est. 1908

The Fair Is Growing And We Are Inviting You To Be A Part Of It!

Members of the Northwestern Michigan Fair along with friends and families of the Northern Michigan Livestock program invite you to be a part of a barn raising project. The oldest of the existing horse barns is one of the last buildings that were relocated from the old fairgrounds down town and the time has come to build a safer and more environmentally friendly barn. Our goal is to have it completed before the 2013 fair.

We have had several fund raising opportunities for this new barn. We are offering you the opportunity to buy a rafter or a door to a stall for the horse barn and in return your name will be printed on a plate which will be attached to the rafter/door in recognition for your generous support towards a great community project. These rafters/doors can be purchased by anyone, whether an individual, family, club, or business/organization, or even in memory of a loved one. The rafters/doors for the new barn can be purchased with a donation of \$250.00 each.

In addition, we are offering you the opportunity to have your name or the name of your business, organization to be posted on the front of the new horse barn for a donation of \$1000.00 or more.

PLEASE PRINT CLEARLY

Name printed on plate: _____ Date: _____
