GENERAL COMPETITION REGULATIONS I. RULES OF THE TRACK

A) No driver who has consumed any alcoholic beverage on the day of an event may participate in a practice or race event. NO alcoholic beverages may be consumed by ANY driver, or race staff before the end of the last race or other on-track activity. NO illegal drugs or controlled substances shall be tolerated on the track premises AT ANY TIME.

B) NO BUMPING WILL BE TOLERATED

C) The responsibility for a safe pass rests with the overtaking driver.

D) The following flag signals will be obeyed without question: GREEN: The race/practice is underway when the green flag is waved. YELLOW: Take care, Danger. NO PASSING ON ENTIRE COURSE. Drivers form a single line and close up with the leader, and follow the Starter's directions. Very slow machines

may signal following machines to pass under yellow. YELLOW & WHITE: These two flags drawn together by the starter are to indicate that the field is not sufficiently bunched for the restart. If you see this signal, close it up! RED: Stop racing immediately. Clear the course as much as possible. BLACK: Generally for a driving infraction or equipment violation. Driver must complete lap and pull into the pits for consultation with the Chief Steward at the designated spot. A furled black flag means the driver must clean up his/her act or receive a full black flag.

WHITE: One lap to go. When Crossed with GREEN it means half way-point. CHECKERED: End of race or practice session. Driver must complete lap and pull into pits or impound area.

E) Driver must keep both hands on the steering wheel, except to momentarily operate other controls.

F) If a driver leaves the course, he/she must re-enter the course as close as possible to the same point the mower left the marked track. The driver may not simply reenter further down the track.

G) If a mower stalls on the course, the driver's first responsibility is to move the mower to a safe position at least 10 feet off the course. Pit Crew or guest may not go on the course at any time during a race unless specifically directed to do so by the safety crew. This could lead to Driver Disqualification!

H) Mower must be completely stopped before driver dismounts. No more than 8 of

I) Unsafe on track/off-track driving practices may result in disqualification. Starting grid will be determined by a random draw during registration for heat races, not by time trials. these mowers will be allowed to race at one time. An A Main and B Main race may be used to determine the feature finalist. If a Yellow or red flag is thrown before the lead mower completes the first lap, the race will be restarted, And drivers will be lined up in original starting grid, but only once, if a second yellow/red flag is thrown before completion of the first lap, the race order will be determined by the order the mowers crossed the Start/Finish line at the start and they will resume racing by using a rolling start. The racer causing the 2nd Caution goes to the rear.

The Race Day Chief Steward shall have the right to remove from competition at any time any driver, crewmember or guest in the paddock who does not comply with these Regulations, who fails Technical Inspection or who, in the Race Day Chief Steward's sole discretion, is exhibiting behavior which is dangerous to participants or spectators.
