# NORTHWESTERN MICHIGAN FAIR

# A Letter from the President

To Our Fair Family,

As we approach our 112th year of the Northwestern Michigan Fair I want to start by saying "Thank you" to all the 4-H kids that have in the past years and soon to come this year for the countless hours helping on the grounds. Thank you to all the other volunteers that donate their time expecting nothing in return and thank you to all the businesses and individuals that sponsor our fair. The fair would not be possible without all of your help.

As always, to our 4-H families and fair friends that stay on the grounds and those of the public that enter our gates on a daily basis, the fair board wants every person to leave after having a positive and safe experience, and as the number of people involved with our fair continues to grow, the fair board is working to complete a few capital improvements to improve safety and the positive experience. Examples include some permanent parking lot lights and the building of the new Steer Barn.

We look forward to seeing you at the fair and looking forward to having another great year.

Respectfully,

Joe Hubbell  
2020 Northwestern Michigan Fair President

# In Memory of Hurbert Whittaker, Gail Weber and Patricia LaPointe

## Hurbert Lee Whittaker

August 23, 1964-February 21, 2020

He and his wife, Kim, traveled to fairs and craft shows throughout Northern Michigan and Quartzsite, Arizona with their rock and mineral business; "No Stone Unturned". He had a love for rocks and minerals, especially the Petoskey Stone, but his true passion was for people. He never met a stranger, he was an encourager, motivator and had a smile that would light up a room.

## Gail Ann Weber

July 31, 1962-March 10, 2020

57, of Kingsley, passed away peacefully at her home on Tuesday, March 10, 2020.

Gail was active in 4-H and in lieu of flowers, money was donated to the Open Goat program at the NWMI Fair.

## Patricia LaPointe

March 19, 1965-February 27, 2020

Patti was a 4-H leader and was incredibly invested in her community, diving headfirst into all of her commitments. Above all, family meant everything to Patti.

# GREETINGS FROM THE NWMF QUEEN

---

To My Dearest Fair Family,

I look forward to seeing all of you this coming fair and spend the most wonderful week of the year with all of you! It has been an honor to represent the Northwestern Michigan Fair and I'm grateful to have the opportunity to be your 2019-2020 Fair Queen. It has been a busy year while being in college at Michigan State University and interning in Camp Springs, Kentucky with Saddle Lake Equestrian Center. I'm overwhelmed with excitement to attend events throughout the year to represent our astonishing fair and community. As this year's fair queen, I am especially excited to see 4-Hers engaged at fairs around Michigan and to see all the hard work they've put into their projects.

The responsibility and hard work are always worth the fun and excitement that 4-Hers will get out of it at the end of the week. I admire the fair and all that it brings to our community. It brings people together and gets them involved. The hard work that everyone puts in throughout the year makes me appreciative in what we have and what we have accomplished. The entertainment, enjoyment, and memories will always be with me because this has been a part of my life since I can remember. It's not only a great experience it has taught me life lessons.

If you're considering running, find something that you're passionate about and be passionate about it. This is an opportunity of a lifetime and you have to make the most of it because you can do so much with this kind of title. I highly encourage all of you ladies who are passionate about our fair and community to apply. It is an once-in-a-lifetime experience that you will treasure forever. Being given the opportunity to give back to something you're passionate about is so rewarding. The encounters and relationships you build will stay with you forever and you'll cherish every one of them.

I would like to thank my sponsor Ankerson Construction, my parents Greg and Lisa Ankerson, and all my friends and family for being so supportive and for the constant love and encouragement. Thank you to everyone for participating in the Northwestern Michigan Fair! I look forward to seeing everyone's smiling faces during fair week and can't wait to make this year an unforgettable one!

With Love,

Isabella  
Ankerson

## Northwestern Michigan Fair

### RELEASE, INDEMNIFICATION, AND HOLD HARMLESS AGREEMENT

In consideration of participating in \_\_\_\_\_ [activity] (examples being: Horse shows, dog shows, animal clinics, Fair Week, Screams in the Dark, etc.), and for other good and valuable consideration, I hereby agree to release and discharge from liability arising from negligence **Northwestern Michigan Fair** [name of insured business] and its owners, directors, officers employees, agents, volunteers, participants, and all other persons or entities acting for them (hereinafter collectively referred to as "Releasees"), on behalf of myself and my children, parents, heirs, assigns, personal representative and estate, and also agree as follows:

1. I acknowledge that \_\_\_\_\_ [activity] (see examples listed in previous paragraph) involves known and unanticipated risks which could result in physical or emotional injury, paralysis or permanent disability, death, and property damage. Risks include, but are not limited to, [actions that might result in injury]; medical conditions resulting from physical activity; and damaged clothing or other property. I understand such risks simply cannot be eliminated, despite the use of safety equipment, without jeopardizing the essential qualities of the activity.
2. I expressly accept and assume all of the risks inherent in this activity or that might have been caused by the negligence of the Releasees. My participation in this activity is purely voluntary and I elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I am unable to participate due to physical or medical conditions, then I will immediately discontinue participation.
3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Releasees from any and all claims, demands, or causes of action which are in any way connected with my participation in this activity, or my use of their equipment or facilities, arising from negligence. This release does not apply to claims arising from intentional conduct. Should Releasees or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
4. I represent that I have adequate insurance to cover any injury or damage I may suffer or cause while participating in this activity, or else I agree to bear the costs of such injury or damage myself. I further represent that I have no medical or physical condition which could interfere with my safety in this activity, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.
5. In the event that I file a lawsuit, I agree to do so solely in the state where Releasees' facility is located, and I further agree that the substantive law of that state shall apply.
6. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I agree that if I am hurt or my property is damaged during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence. I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. I have read and understood this document and I agree to be bound by its terms.
